

BC Group COVID-19 Service Statement

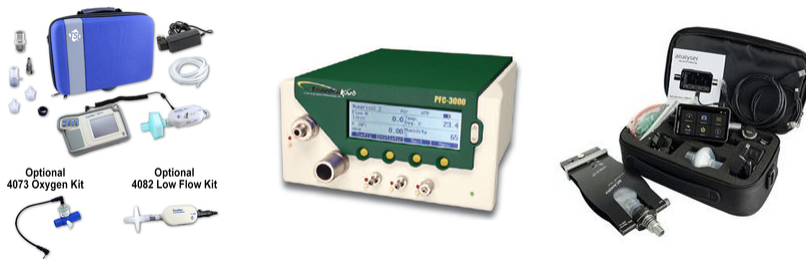

At BC Group International, Inc., there is no higher priority than the health and safety of our employees and community. There is no time more important than now in delivering lifesaving, quality products and services to those in need.

Our customers include many of the nation's leading hospitals, health organizations, and medical device manufacturers who are critical to our nation's healthcare system during this time of emergency. Given the Biomedical manufacturing, products and services we provide, BC Group is considered an Essential Business performing Essential Services for our customers.
